With more than 135 miles, Dublin's extensive recreation path system traverses parks, neighborhoods and roadways. It's perfect for a bike ride to your favorite destination or just to get some exercise and fresh air.

In addition to paths, Dublin has these options for bikers:

- Nearly 4 miles of on-road sharrows along sections of Emerald Parkway, Coffman Road and Rings Road that remind motorists to share the road.
- Bike lanes on Muirfield Drive between Moors Place and Glick Road.
- A bike route directing riders along neighborhood streets from Dublin Coffman High School to Glacier Ridge Metro Park.

BIKE PARKING

There are more than 50 bike racks located across the City. Complimentary bike parking is available at many City events such as the Dublin Irish Festival, Independence Day Celebration and the Memorial Tournament. If you see a public location in need of a bike rack or additional racks, please contact the City at dublinohiousa.gov/godublin

CENTRAL OHIO GREENWAYS

Connect to the regional Central Ohio Greenways path system by bike, and Central Ohio Blueways river system by paddle. Visit centralohiogreenways.com and morpc.org/blueways to learn more.

BE CONSPICUOUS

Ride where people can see you and wear bright clothing. Use a front white light, rear red light and reflectors when visibility is poor. Make eye contact with others and don't ride on sidewalks.

BE PREDICTABLE

Make your intentions clear to everyone on the road. Ride in a straight line and don't swerve between parked cars. Signal turns and check behind you well before turning or changing lanes.

RIDE READY

Check that your tires have sufficient air, brakes are working, chain runs smoothly, and quick release levers are closed. Carry tools and supplies that are appropriate for your ride. Wear a helmet.

THINK AHEAD

Anticipate what drivers, pedestrians and other people on bikes will do next. Watch for turning vehicles and ride outside the door zone of parked cars. Look out for debris, potholes and other road hazards.

FOLLOW THE LAW

Bicyclists have the same rights and responsibilities as drivers. Obey traffic signals and stop signs. Ride with traffic and use the rightmost lane headed in the direction you are going. Drivers are required to give at least 3 feet of space when passing bikers.

RULES OF THE ROAD

PEDESTRIANS

- Stay to the right side of the path except when otherwise designated.
- Watch for other path users.
- Be alert when running — listen for audible signals and allow faster path users (runners and bicyclists) to pass safely.

BICYCLISTS

- Yield to pedestrians.
- Give audible warning when passing pedestrians or other bicyclists.
- Ride at a safe speed.
- Slow down and form a single file in congested conditions, reduced visibility and other hazardous conditions.

ALL PATH USERS

- Share the paths and show courtesy to other path users at all times.
- Use the right side of the path except when otherwise designated.
- Always pass on the left.
- Respect the rights of property owners.
- Keep dogs on leash (max. length 8 feet) and remove pet feces from paths.
- Do not use headphones or ear pieces in a manner that prevents you from hearing audible signals from other users.
- Keep paths clear of belongings, including fishing gear.

RECREATION PATH ETIQUETTE

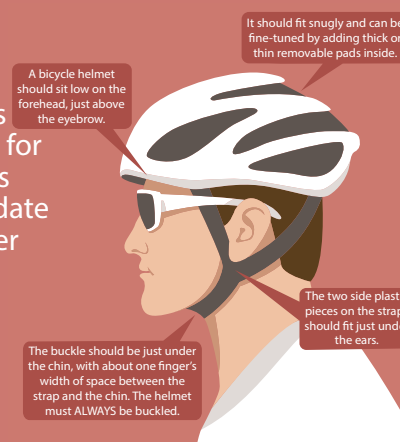

BIKE REPAIR STATIONS

Dublin's bike repair stations have basic tools for bike repair including an air pump, flat-head and Phillips-head screwdrivers and Allen wrenches.

- Avery Road just south of Avery Park
- Balgriffin Park
- Coffman Park near the Dublin Community Recreation Center
- Dublin Community Pool North
- Dublin Road/Memorial Drive intersection
- Tullymore Drive east of Hyland-Croy Road
- West Bridge Street parking lot

HELMET SAFETY

Dublin encourages the use of helmets for children and adults but does not mandate them by law. Proper helmet fit is key to reducing injuries. Follow these steps to ensure your helmet fits properly.

BICYCLE REGISTRATION

Bicycle registration is available through the City of Dublin Division of Police. If your bicycle is lost or stolen, bike registration could help you reunite with your bicycle. Registration can be completed in person at the Justice Center, 6565 Commerce Pkwy.

Install the app and join us as we continue to improve our accessibility and responsiveness.

BIKE REPAIR TIPS

Hanging the bike from the hanger arms allows the pedals and wheels to spin freely while making adjustments. For help with repairs, use the QR code on the front of the station to view detailed instructions on your smartphone.

DUBLIN BICYCLE AMBASSADORS

Dublin Bicycle Ambassadors make up a specially trained volunteer team who help bicyclists with directions; report maintenance and safety issues; assist with bike safety initiatives, education and group rides; and recognize young people practicing safe biking. Ambassadors are easily recognized by neon vests or jersey uniforms and City-issued identification badges. For information on Dublin Bicycle Ambassadors, call 614.410.4406.
